IV. Approval of February 27, 2018 Meeting Minutes

MOTION #1

A motion was made and seconded to approve the agenda with the addition. (Biener/Huber) MOTION PASSED UNANIMOUSLY.

V. Action Items

A. Review and Approval of Policy Revisions

- **“Use and Confidentiality of Participant Personally Identifiable Information (PII)” Policy**
- **“Procurement” Policy**
- **“WIOA Individual Training Contracts” Policy**

Ms. Henry reviewed agenda item **V.A. Review and Approval of Policy Revisions**, which was included as part of the agenda package and incorporated herein. Ms. Henry explained the policies presented before the committee were redlined to show the changes/revisions made to each policy. A detailed overview was given for each policy. Management will review each policy with staff to ensure they have full understanding. Each policy was reviewed as previously stated and approved individually. Staff will receive an acknowledgement form to complete and sign for each policy.

MOTION #2

(Huber/Beiner) MOTION PASSED UNANIMOUSLY

VI. Discussion Items

A. Review of Quarterly Programmatic Report

Ms. Henry reviewed the handouts provided to the committee including FY2018 Q1-Q3 Programmatic Impact Report, AJCC Service Summary Report, and WIOA Performance Report. Ms. Henry gave an overview of the information presented in the reports. A number of questions were asked and extensive discussion ensued.

B. Update on Hallmark of Excellence

Ms. Henry reviewed the handout Hallmark of Excellence provided to the committee. Ms. Henry gave a detailed overview of the information presented. A third party is finalizing the results which will be available by the May 2018 Board of Directors meeting. Discussion ensued.

C. Discuss Programmatic Contractors for FY19

Ms. Henry announced the One-Stop Operator contract is up for renewal. The intention is to renew the contract but to make a few adjustments without changing the contract including more hands on on-site, having a bigger presence and developing a strategic plan for the upcoming year.

There will be a contract with the Solano County Office of Education for the new DEA grant to hire and manage the disability resource navigator.

There is a Federal requirement to do a contract for the Youth program. We have a choice locally to either contract out the entire program or to contract out pieces of it. With the low number of non-profits in Solano County, it may be difficult to contract out the entire youth program. An RFP will go out for PY19 but the best method to accomplish this is being discussed. Piecing out the youth program also has challenges due to funding. Contracting within Solano County is favored. The goal is to have a contract in place by January 2019.

D. Discuss FY18 Lessons and FY19 Programmatic Priorities

Ms. Henry announced the need to review internal processes including customer flow, intake and eligibility. A deep dive with Employability Specialists and Intake Staff was conducted. Staff has lots of ideas. Professional development will be provided to Job Center staff to develop and update skills. There will be a focus on Job Center clients to implement consistent guidelines.

VII. Open Forum

VIII. Adjournment

The meeting adjourned at 4:53 p.m.

Note: The next Planning & Oversight Committee meeting will be held Tuesday, June 26, 2018.

INCUMBENT WORKER TRAINING POLICY

INTRODUCTION

It is the policy of the Workforce Development Board of Solano County (WDB) to provide incumbent worker training to employers who are eligible to receive incumbent worker training funds in order to enhance their current workforce and increase their economic competitiveness. This Policy provides a definition and information related to Incumbent Worker Training based on information provided by the Workforce Investment and Opportunity Act (WIOA).

QUESTIONS

Questions relating to this policy should be directed to Marion Aiken, Workforce Services Manager at maiken@solanowdb.org or at: (707) 863-3594.

POLICY

Incumbent worker training (IWT) under WIOA provides both workers and employers with the opportunity to build and maintain a quality workforce and increase both participants' and companies' competitiveness. It is a type of work-based training and upskilling designed to ensure that employees of a company can acquire the skills necessary to retain employment and advance within the company, or to acquire the skills necessary to avert a layoff.

Incumbent worker training may be used either to avert the need to lay off employees or to obtain the skills necessary to retain employment (an example is increasing the skill levels of employees so they can be promoted within the company and create backfill opportunities for less-skilled employees.)

Comment [HH1]: Outlined in federal guidance

The WDB may utilize up to 20 percent of its combined total of adult and dislocated allotments for the federal share of incumbent worker training as described above. The 20 percent can be used for Incumbent Worker Training activities that are programmatic in nature. In addition, the WDB may use Rapid Response Funds for incumbent worker training if used as part of a layoff aversion strategy.

Comment [HH2]: Defined in WIOA law

TRAINING PARAMETERS

Incumbent worker training funds may be used for incumbent workers. An “incumbent worker” is defined a worker who is:

- Employed,
- Meets the Fair Labor Standards Act (FSLA) requirements for an employer-employee relationship, **and**
- Has an established employment history with the employer for 6-months or more, with the following exception:
 - In the event that the incumbent worker training is being provided to a cohort of employees, not every employee in the cohort must have an established employment history for 6-months or more as long as a majority of those employees being trained do meet the employment requirement.

Comment [HH3]: Parameters defined by federal guidance unless otherwise noted.

An incumbent worker does not have to meet the eligibility requirements for career and training services for adults and dislocated workers under WIOA, unless they also are enrolled as a participant in the WIOA Adult or Dislocated Worker program. Training must not be used to pay for the occupational training a new hire needs.

Incumbent worker training can also be used for underemployed workers – e.g. workers who would prefer full-time work but are working part-time for economic reasons. The use of this strategy may focus on increasing skills for underemployed frontline workers in an effort to advance these workers to more skilled positions with the same employer or industry sector leading to an increase in earnings through more work hours or an increase in pay.

Funds may be used to support training by a single employer or a group of employers with a location in Solano County. Employers must show a commitment to retain or avert the layoffs of the incumbent worker(s) trained. When considering employer eligibility, staff should take into account the number of employees participating in the training, the wage and benefit levels of the employees at the beginning and anticipated upon completion of the training, the relationship of the training to the competitiveness of the employer and employee, and the availability of other employer-provided training and advancement opportunities.

Comment [HH4]: Local addition

WDB funds may also be used to provide supportive services respectively for those who are:

- Participating in programs with activities authorized in the paragraphs above; **and**
- Unable to obtain such supportive services through other programs providing such services.

Preference, especially in times of low funding, will be given to employers or occupations within the following industry/business targets:

- Healthcare
- Advanced Manufacturing
- Food and Beverage Chain
- Transportation/Logistics

Comment [HH5]: Local addition. Industries/occupations must connect to what outlined in the local plan

- Small Businesses (under 50 employees)

The amount of training reimbursement must not exceed \$7500.00 without justification and management approval. The duration of training must not exceed 12-months in duration.

Comment [HH6]: Local addition

Internal procedures must outline the process of issuing incumbent worker training contracts, how payments are made, and outcome considerations. In addition, internal procedures must define how WDB staff will record the participant training-related needs and the mix of funding assistance in the participant's record.

TRAINING FUNDS

Comment [HH7]: Federally outlined

The WDB may fund up to 90% of the cost of incumbent worker training (considered the Federal share of the cost). Participating employers must pay the non-Federal share of the cost of providing training to their incumbent workers.

Participating employers must pay a percentage of the cost per the following guidelines:

- 10 percent of the cost of training for employers with 50 or less employees;
- 25 percent of the cost of training for employers with 51-100 employees; **or**
- 50 percent of the cost for employers with more than 100 employees.

The non-Federal share provided by an employer participating in the program may include the amount of the wages paid by the employer to a worker while the worker is attending a training program under this paragraph. The employer may provide the share in cash or in-kind, fairly evaluated.

DOCUMENTATION AND PERFORMANCE ACCOUNTABILITY

Comment [HH8]: Federally outlined

The Employer share must be reported on the quarterly ETA-9130 financial report. Internal procedures must outline how an employer and incumbent worker is determined eligible. Incumbent worker participants who only receive Incumbent Worker Training and are not co-enrolled will not be included in the WIOA performance accountability calculations, but will be reported in the primary indicators of performance (employed second quarter after exit, employed fourth quarter after exit, median earnings, measurable skills gain, and credential attainment). The exit date for an incumbent worker will be the participants last date of training as indicated in the training contract.

DISCLAIMER

This policy is based on WDB's interpretation of the statute, along with the Workforce Investment and Opportunity Act; Final Rule released by the U.S. Department of Labor and federal and state policies relating to WIOA implementation. This policy will be reviewed and updated based on any additional federal or state guidance.
